Steel-Line

Sectional Door Opener
SD1000 Pro

MORE POWER. MORE FEATURES. MORE CONFIDENCE.

Experience the PRO difference.

Powerful

Take your garage to the next level with the new SD1000 Pro Sectional Door motor. We've boosted the power from 800N to a **robust 1000N**, giving you smoother, more reliable operation for even the heaviest doors.

Full Compatibility

Now with built-in F-linX Wi-Fi, it's never been easier to control your door remotely or integrate with your smart home setup. The Pro model is **fully compatible with all wireless accessories** (E-Lock, PE Beams and E-Door Connect), so expanding your system is effortless.

Extended 10 Year Warranty

Enjoy complete confidence with an **extended 10 year motor warranty** - performance you can count on.

Key Benefits

Quality Tested
Proven technology coupled with robust design backed up by rigorous quality testing.

Soft Start/Stop Function
Ensures smooth and quiet operation, ideal when the garage is near bedrooms or living areas.

LED Courtesy Light
A convenient way to navigate through your garage environment and get in and out of your car (operates for 9 minutes).

Transmitter Range
Remote distance: Effective operating range of up to 100m. 433.92 MHz transmitter frequency.

Maintenance Reminder
This provides an audible reminder that the garage door is due for a service.

Standard Safety Features

Auto Safety Reverse
If an obstruction is detected while closing, the door will immediately stop and reverse upon contact with the obstruction. Complies with AS/NZ25 60335.2.95.

Auto Sensing Force
During operation the force required is constantly monitored and adjusted to ensure economical operation and reduced wear and tear.

Digital Limit System
Equipped with a digital limit system for ease of programming during installation.

Manual Release
In case of power failure you can simply activate the manual release to open your garage door.
